

# AmCare ambulance comes across rollover with entrapment

Swanton, VT. On January 12th at approximately 8:15 a.m., AmCare Ambulance Service came across a one car rollover on with the driver trapped on Route 105.

Sheldon and Swanton Fire Departments were called in for extrication equipment. Firefighters had to cut the roof off the car to free the driver, who was trapped for about 30 minutes.

The patient was transported to the hospital by AmCare Ambulance with minor injuries. The car was travelling eastbound when the driver lost control of the car, went off the road before coming to rest in a field upside down. The accident remains under investigation by Vermont State Police. There were no other injuries.
